

## Editorial

As the summer season draws to a close we look back on a terrific, fun (if not occasionally wet) polo season that saw many players excel at both the beginner and tournament levels.

Many new players joined us and were welcomed openly into this great sport we are so lucky to enjoy. **Jennifer and Jim** brought us up a notch with their fabulous picnics which were greatly enjoyed post game.

In the **Polo School** and **Progression League** we have a fantastic group about to join the club that will bring even more enthusiasm to this fall and winter's arena polo. If you thought last year was fun, **this year will be one not to miss!**

Our **Fall Polo School** began early September and will run on Monday nights until the darkness moves us to Sunday afternoons. It is so good to see the excitement on the beginner's faces.

On the tournament level our players had a record season **winning 9 of the 12 major tournaments.**

**A big thank you to all of our staff for a great season.** Many of them are heading home for the winter and we look forward to their return in the spring. **To all of our players, Congratulations on all your successes and another fun filled summer.**

## Polo for the Cure

August saw our 2nd annual Ladies Tournament with two newbies playing, Jennifer and Wendy. They both amazed people with their new found abilities. Alyson and Jennifer made it to the finals of a nail-biting finale only to loose out in the final minute. Taylor Sullivan played strong but got the tough draw of the tournament. The ladies then celebrated their polo prowess with a fantastic party at the Polo Shack.

## Feature Groom Edgardo Orellana (Caco)

Caco joins us for his first year in Canada. Although he arrived here not knowing any english we would like to congratulate him on how quickly he has picked it up.

Caco is 26 years old and married to Natalia. Caco and Natalia have a 5 year old son named Lisandro and are expecting another child by the end of the year.

Caco has spent the summer riding all the green horses and working as Brian's groom. When home in Argentina he grooms for Enrique. Previous to that Caco has worked for 6 goaler Keko Dupont.

### Polo Tip

The important thing about polo is to play. If you lose, it is of no consequence.
